Dedication

Mr. Walter Humiston - Commercial

A. B. Albion

"For when the one great scorer comes
to write against your name,
He writes not if you won or lost,
but how you played the game."

And we know of no other who has "played the game" better than the teacher to whom this yearbook is dedicated. For four years he has served Mayville High School as a great and well liked Commercial teacher, and by every action through the years confirming his high place in the heads and hearts of his students.

Therefore we of the Senior class, in grateful acknowledgement of his years of faithful service to our school, dedicate this 1952 year book to Mr. Walter Humiston, in hopes that he may continue for many more years to enrich the school lives of future Mayville High School students.

HISTORY OF CLASS 1952

1948-1949

In the fall of 1948 a very bewildered bunch of Freshmen wandered through the halls of Mayville High. Our Sponsor was Walter Humiston, who guided us through our first year. We elected the following as officers: President-Gary O'Neil; Vice President-Joyce Saunders; Secretary-Luman Barry; Treasurer-Janet Stephens.

1949-1950

Here we were again, Sophmores. The summer flew but we were glad to get back to "The Old Grind." We had only one party that year when we initiated the Freshmen. It was a successful affair in which all participated without too many casualties occurring. The following were elected as our officers: President-Gary O'Neil; Vice-President-Duane Lindsay; Secretary-Donald TerBush; and Treasurer-Terry Maiera. Mr. Humiston was again our sponcer. In the middle of May we ordered our class rings, and then tossed our books away for another summer.

1950-1951

Now we were full fledged upperclassmen, something we had been struggling for, the last two years. IN September we got our long-awaited class rings. As our class officers we elected, as follows: President-Gary O'Neil; Vice-President-Elaine Frenzel; Secretary-Dorothy Irwin; Treasurer-Marilyn Seddon. We had new advisors that year. Mr. Potts and Miss Kingsland who did a grand job of helping us and directing our play, which was held April 20. The name of our play was "Bill's Night Out." We gave a banquet and Prom in honor of the Seniors. The theme of our dance was Treasurer Island, and the music was furnished by Fred Gunsell and his orchestra. We then decorated for the Graduation.

1951-52

Hurrah! September found us enrolling as Seniors! Everyone was happy and excited, but a little sad too. We know this would be a busy year and we had great hopes of making it our best one. For class officers we chose President-Elaine Frenzel, Vice-President-Carol Curell, Secretary-Bill Bretzloff, Treasurer-Luman Barry, and Sponser-Mr. Brosz.

We had our pictures taken September 27 and received them in time for Christmas.

On December 8 and 10 we presented our class play "Men Are Like Street Cars." On December 21 we Sponsored a holiday dance "Winter Wonderland."

In the middle of January we ordered our Commencement invitations and name cards.

We planned our trip to Washington, D. C. and worked long and hard for enough money to make it possible. We were honored by the Juniors at the annual Junior-Senior Banquet and Prom.

Baccalaureate was held Sunday, June first and Commencement June fifth.

Bill B: "Have you heard the new Eskimo song?"

JoAnn: "No, what is it?"

Bill B: "Freeze a jolly good fellow."

He: Violet and Robert had a quarrel. They kissed and made up.

She: What happened?

He: Violet got the kiss and Robert got the make up.

Teacher: "Give me a sentence using the word climate."

Billy K: "There is a tree in our yard, but I can't climb it."

Mother: "Elaine, how is it you stood so much lower in your studies in January then you did in December?"

Elaine: "I don't know, mother, unless it is because everything is marked down after the holidays."

"Glimpse into 62"

This afternoon after I laid Junior down and set back in the arm chair, I picked up the Mayville Monitor which is now under the full direction, of James Cranick and his wife. That was when I first realized that it has been ten years since we as members of the class of 1952 roamed the halls of Mayville High.

When running through the paper I never miss reading the Fostoria news. Oh! look, it says that Mr. and Mrs. Duane Lindsay and family of San Francisco Calif. are here visiting their parents, Mr. and Mrs. Ward Lindsay and Mr. and Mrs. Ben Hescott. Duane is now playing for a large symphony Orchestra in Calif. and they are bringing up their twin boys to be wonderful musicians too. Down here I see that Mr. and Mrs. Eugene Brunett and family have just returned to their home in Detroit after spending the weekend with Betty's family, Mr. and Mrs. Wheaton. I understand Betty and Eugene were married as soon as he was released from the service.

As I continued reading I was interrupted by the telephone and, to my surprise it was Marlyn Seddon. She said she was home for the weekend which was a pleasant relief from the noisy classroom of High School pupils.

The next day we went shopping in Silverwood and left the children at "The Titus 24 hour Nursery". Violet has been in that business for quite some time.

When we walked into the largest Department Store in this thriving city, which is owned by Francis Wood, who should wait on us but Anna Chorba or Yens as we knew her. In our conversation she said that Carol Curell had worked here until she got married.

We left the Wood Department Store and crossed the street but apparently in the wrong place because Duane Dost the Policeman there in Silverwood stopped us. When he saw whom we were he was very surprised to think we would cross the street in the wrong place after we learn to obey the rules in our School Days. But after all, that was 10 years ago.

I was talking with Mrs. Fox the other day. She is now the wife of the greatest sea captain the world has ever known. As Sharron and I were discussing our old class mates we came to the realization that quite a few of them went into the service shortly after graduation. You remember Luman Berry? How could any one forget a guy that everyone liked and got along with so well. He is making a career of the navy and his wife is with him. Do you remember who she was? JoAnn Ewing also joined the service only that was 'nt until she finished four years of collage and two years of teaching Home Ec. in the lower part of our state. They say the reason she didn't continue teaching was that she met a nice looking General and they were married. As you can see she didn't really join the service for herself. Sharron said that Marie TerBush liked the army life too but not as well as the others because she and Elmer moved back to Michigan where they are running the Crabtree bakery. Marie is kept pretty busy at home with the children.

The other day we went to the dentist in Vasser. Yes, George Mitchel is a very good dentist and it isn't at all surprising that he settled in Vasser is it?

On the way back we stopped in Juniata at the Bretsloff Barber Shop where my husband got his hair cut. Bill is a busy man now being the Mayor of that large town and taking care of his shop too.

After retruning home from Vasser and Juniata we decided to spend the evening at home watching television. Channel 4 is always good about 7:30 with "Mairers Better Sleeping Plan" Terry did work at Mairers Freight Co. but it was too hard work. After his program was over the -----

"All Time Fashion Show" came on starting the all famous Joanne McAlpine. Joanne has really gone places with modeling. Oh, there is Janet Stephens in the bathing suit of tomorrow only her name isn't Stephens. I can't recall what it is, can you? Gee, dos'nt pat Seddon look nice in that suit.

Now the news will be brought to you by "Atomic Soap," Keith Mead reporting. Just a word for Atomic Soap before the news. It makes your wash day 100% easier and yet is so cheep. So kind on your hands too. Buy a box of the new sensational wash day soap. The discovery of this new soap was made by the famous soap maker Milton Jacot. Buy a box soon. Now to the news with Keith Mead. In our farm news this evening Mr. Duane Colling has just recieved the all state prize in the state of Michigan for raising the best sugar beets. Mr. Bernard Baber one of our most prosperous farmers in our state, received first prize in the National Herford contest. William Kelly, opened his meat packed center in our capital city. The new Governor of Michigan is Gary O'Neil. They finished counting the votes less than an hour ago and he won by a very large majority. This is all the news until 8:00 O'Clock to-morrow morning. Keith Mead Reporting.

Last night Dorothy Irwin stopped in for the evening while she was in town. We went out to Eva and Juniors Restrant for supper, better know as Bebouts when we were in school. We did'nt have a very long visit because she had to keep her appointment at the beauty shop, Miss Margarets Shop to be exact. Yes her name is still Warner. But I don't think it will be long though.

Before Dot left we were talking about her job as Airline-Hostess. She said she saw Beverly Harris on the plane, flying from her home in Maine here to visit her folks. It had been quite a while since she was home and she and the children were getting homesick for Grandpa and Grandma Harris.

Not long ago I recieved a letter fom Elaine Frenzel (or I should say Liskey.) They are living in Midland now and Leroy has a pretty good job there. Elaine has too, taking care of Junior. She wrote that Joyce and Vern Fox were up to see them and I guess when Junior and Joyce and Vern's children got together they had one hot time.

In closing this letter it also closes our little glimps into "62"

The above facts set forth are utterly fictitious and any resemblance to actual facts ten years hence will be purely coincidental! !

MAYVILLE HIGH SCHOOL BAND

Under the direction of Mr. David Eldredge, our band has had an outstanding year.

To start the year off right, we journeyed to the State Fair in September where we put on an open air concert and also marched.

Other events that we participated in during the year and shall always remember are the Michigan-Indiana football game, the Millington-Mayville football game and the Marching Band Contest in Flint, where we recieved a second rating (this made us feel pretty good). We also pplayed and marched for allof the home football games.

Our annual concerts held in December and May were attended by fine crowds and proved to be worth the hard work put in getting ready for them.

The final round-up of band activities was the Memorial Day parade to the local cemeteries followed by our annual picnic, making this year one which most of us will not forget.

SENIOR PLAY

On october 25th 1951 tryouts for the Senior Play were held. With Mr. Brosz, our sponsor, acting as firector. The play was presented December 6th and 8th.

The play was called "Men Are Like Street Cars", a three act comedy, that was enjoyed by everyone. Maudie, supposedly a girl of distinction, tried throughout the play to pass on a few of her techniques with men to her best girlfriends. The play was jam-packed with laughs and a surprise ending.
