In Memoriam

Marilyn

Marilee

There are things that often happen,
That will bring us pain and woe,
And while some folks have heartaches;
There are others that do not know.

But for once we all together,
Found our eyes to flow with tears,
When the sad news quickly reached us;
Of two girls we all hold so dear.

They were twins and they were blessed,
They were true and they were kind,
They were loved and they had plenty;
No finer home could children find.

And when they left us how it hurt us,
But only God can understand,
Why such tragedy overtakes us;
In this great and wonderful land.

Although they are gone still we see them,
God has fixed our hearts that way,
And 'tis he that makes us welcome;
When no longer on this earth we stay.
