SENIOR BAND

Congratulations are in order for all students participating in the music program for making it one of the best in the State. Only hard work through the years by each student has enabled the Senior and Junior Bands to receive such ratings at all Festivals.

The season started with the Senior Band marching at 7 out of 8 football games, highlighted by the Homecoming Show which was done in the dark (using lights and fireworks). Again the Mayville Marching Band upheld the long tradition of fine marching bands which have made them tops in our area for many years.

The Christmas concert was a big success with all of the organizations performing well. This seemed to foretell better things to come, and it did. The Solo-Ensemble Festival was the best in our School's history as the Senior Band brought back 18 1sts and 3 2nds, while the Junior Band added 15 1sts and 4 2nds.

The Senior Band received a 1st Division at both the District & State Festivals which placed them among the top 5 Bands in their class in the State. A large percentage of our Band Members also received 1sts at the State Solo Ensemble Festival, to help close out the Festival Season.
