## CONTRACT FOR LIFE

A Contract for Life  
Between Parent and Teenager

**Teenager** I agree to call you for advice and/or transportation at any hour, from any place, if I am ever in a situation where I have been drinking or a friend or date who is driving me has been drinking.

Signature \_\_\_\_\_

**Parent** I agree to come and get you at any hour, any place, no questions asked and no argument at that time, or I will pay for a taxi to bring you home safely. I expect we would discuss this issue at a later time.

I agree to seek safe, sober transportation home if I am ever in a situation where I have had too much to drink or a friend who is driving me has had too much to drink.

Signature \_\_\_\_\_

Date \_\_\_\_\_

This Contract may not be duplicated  
S.A.D.D. does not condone drinking by those below the legal drinking age. S.A.D.D. encourages all young people to obey the laws of their state, including laws relating to the legal drinking age.

### THE CONTRACT FOR LIFE

S.A.D.D. starts with the premise that we must believe in our children and we want to keep our kids alive. Once they are home, safe and sound, we can address the problems facing them.

To get to the point where our children can trust us enough to get home alive, and where we can trust them enough to let them admit their mistakes, we need to make a public declaration of our good will. That's where the Contract For Life comes in.

This contract is a way for us to say, out loud, to each other: I care and I will help you, because my love for you and your love for me is strong enough to overcome any obstacle that makes you challenge death.

The Contract For Life is a formal written agreement signed by a high school student and his or her parents. It acknowledges potential problems and the family's desire to face and manage them. The Contract For Life functions in four ways:

1. It helps your children to stay out of life-threatening situations when they may feel pressure to be a passenger in a car with someone (adult or peer) who has been drinking.
2. It helps your children avoid being in a life-threatening situation when they may have had something to drink and are the ones who are driving.
3. It offers your children the assurance that you, too, will avoid placing yourself in a drunk-driving situation.
4. It offers your children the assurance that you will not be a passenger in a car when the driver has been drinking.

The Contract offers the children the chance to trust us with their problems, and it asks us to acknowledge that we have problems too. We can't ask our children to be responsible people and not be equally responsible ourselves.

In families with good parent-child communications the discussion and signing of the Contract is a chance to affirm your commitment to each other. In families with difficult parent-child communication, it is a strong first step to opening the channels of concern. In all families, it offers parents a forum for their concerns and a chance to express their authority and ideas about discipline. The Contract lets the children express their fears, explain their world and appreciate that their parents' authority comes from love and understanding.

Jason's on the move!

The 1988 Junior Varsity football team started the season with optimism. Coach Osowski and seventeen sophomores were returning from the 2-7 record in 1987. Coach Higgins and fifteen freshmen were in their first season.

The team found out quickly that the year would be tough. The games in the early season were played well. The defense was stingy with the number of points they allowed, but offensive mistakes and lack of a passing game made it difficult to make touchdowns.

Much like 1987 the high point was at the end of the season. The defense continued to play well and the offense came together. The Junior Cats managed to tie Sandusky and win the last game against Brown City.

Go gettem Greg!

## GIRLS STATE CHAMPS!

The Girls Cross Country Team was short on numbers but long on talent this year. Three of the team members were shared by the basketball team. The girls won only one invitational prior to the regionals. At the regionals they captured the first regional title in Mayville Girl's sports history as they scored 56 points to win the regional.

At the State meet in Bath, the Lady Cats claimed a state championship as they defeated 17 other schools to win the Class C championship. Andrea Foote placed 7th, Gail LaBair 9th, Mandy Snyder 17th, Sarah Brown 43rd, Jamie Freeland 52nd, and Jenny Smith 56th to score 128 points. Andrea Foote and Jenny Smith were named to the All Conference team. Gail LaBair was named to the All Area team. Foote and LaBair were named to the Class C All State team and Andrea Foote was named MVP by her teammates.

Coach Patterson was named coach of the year by MITCA.

MAYVILLE'S CATS  
TOP CATS AGAIN

The 1989 baseball team had a magic number of three. They captured their third straight Thumb C League Championship; they accomplished an even tougher goal of winning their third straight District Championship; and lastly (third) as frustrating as it was not to win, these Cats made it to their third straight Regional Championship game only to lose to a good hitting Roscommon team. The Three's are not done. The '89 Team broke 3 records under 12 year coach Curt Henderson: best winning percentage .086 (25 wins, 6 losses), highest state rating fourth, and best league record with 18 wins and 1 loss.

First Team All-Conference honors were earned by pitcher Eric Frenzel, catcher Tony Blonde, infielder Shane Beach, and outfielder Jamie Byrd. Second Team Awards went to Eric Vrable and Ken Heiser. Honorable mentions were presented to Nathan Phillips and Mike Yens.

Shane Beach was selected to the All-District Team. Eric Frenzel was selected to the All-District Team, the All-Regional Team, and also named pitcher First Team All-State.

The team batting title was won by Shane Beach. Pitcher Eric Frenzel broke three school records for pitchers (1) strike outs in a season, 155 (2) earned run average, 0.99 and (3) wins in a season, 15.

Many players tied records under Coach Henderson Jamie Byrd (4 hits in a game), Eric Frenzel (pitched 15 strike outs in one game), Jamie Byrd and Rick Eagle (4 runs scored in a game).

Coach Henderson was honored with the District and Regional Coach of the Year Award by the MHSBCA.

## WILDCATS ARE FAST!!!

Winning the league meet and doing well at the state meet are always primary goals for the Girls' Varsity Track team and the '89 lady cats achieved both goals in expeditious form. In other words they ran fast!

The team of almost all underclassmen recaptured the league crown from Harbor Beach and finished in the number 6 spot at the class C state meet at Alma college. One of the highlights of the season came at the state meet when the 3200 relay team of Jamie Freeland, Andrea Foote, Jenny Smith, and Gail LaBair became the first Mayville girls to win an event at the state level. Jamie and Gail teamed up with Mindi and Mandi Snyder for a 3rd place finish in the 1600 relay. All six of these girls earned All-State Honors for their efforts.

All-Conference Honors were earned by Andrea Foote, Jamie Freeland, Gail LaBair, Rachele Moncman, Hope Patterson, Carolyn Scroggins, Jenny Smith, Angie Smithhart, Mandi Snyder, and Mindi Snyder.

Team honors were awarded to Gail LaBair for most valuable and Jenny Smith for most improved.

*Friends*

*A shoulder to cry on, An ear to bend,  
Money to borrow, Clothes to lend,  
Friday night movies, Afternoon walks,  
Being together, Our "private" talks.  
Mending our hearts, Crying those tears,  
Planning our futures, Voicing our fears,  
Our memories together, May they never end,  
Always together, Forever Friends!*

*Best Friends Forever!!*
